The Arizona State Trapshooting Association

Proudly presents the

2011 Arizona State Trapshooting Championships

Welcome Shooters, Family and Friends!

The ASTA is happy to offer the Ben Avery Clay Target Center as the venue for the 2011 Arizona State Shoot. The State Shoot has rotated between clubs for over fifty years and the recent expansion at the Clay Target Center, including completion of their campgrounds, made it possible to continue this long standing policy.

We have made some changes to our program to make your participation more enjoyable and rewarding. A fourth yardage group has been added to balance and equalize the number of shooters in each group. The Added Money distribution has been changed to not only reward more shooters, but is being offered in both Resident and Non Resident categories. And continuing our long standing tradition, participants and families are invited to our dinner Saturday evening, compliments of the ASTA.

In addition to the great facility the Clay Target Center affords shooters, there are many amenities for your enjoyment nearby. Carefree and Cave Creek offer shopping, museums, art galleries, antique shops, not to mention many great dining spots. Scottsdale, known for their galleries, entertainment, fine dining and world class golf resorts, is always an exciting and fun place to visit.

We thank our advertisers and contributors of special awards and trophies for supporting the Arizona State Shoot and to our loyal participants, residents and non residents . . . THANK YOU!

*Announcing
the
1st Annual Arizona
“Hall of Fame Classic”*

The ASTA is excited to announce the formation of a new annual tournament, *the Arizona Hall of Fame Classic*. The primary purpose is to create a dedicated venue for the induction of members into the Arizona State Trapshooting Hall of Fame and to focus the attention on this important honor and milestone in a shooters career.

The *1st Annual Hall of Fame Classic* will be held in October of 2011. The dates and location will be announced at a later date, however, to make the tournament viable to the greatest number of shooters, a central location is most desirable and rotation of the shoot between clubs is also an option.

To encourage state wide participation, Zone competitions including Zone Team races and HAA trophies to the high shooter from each Zone will be offered.

A two-day tournament is planned featuring the Hall of Fame Championship Singles (200 targets) on Saturday followed by the Induction Ceremony and refreshments. Sunday will feature the Hall of Fame Doubles and Handicap Championships.

We are counting on your enthusiasm and support for this new tournament to celebrate, honor and give the spotlight to the Hall of Fame Inductees so richly deserve.

Program details will be announced soon on the ASTA web site.

The ASTA Board of Directors

*The Arizona State
Trapshooting Association is proud
to announce*

*John "Gunny" Scanlon
as the Hall of Fame Enshrinee for 2011*

John will be officially inducted into the Arizona Trapshooting Association Hall of Fame during the 1st Annual Hall of Fame Classic in October.

Johns' unselfish service to the sport through the years, combined with his shooting achievements, prove John to be a worthy addition to the Arizona Trapshooting Hall of Fame. Please plan to join us in October for the 1st Annual Hall of Fame Classic to recognize John on this well deserved honor.

Congratulations, John!

Arizona Trapshooting Trivia

Early records reflect that organized trapshooting took place within Arizona dating back to 1912 ,which was prior to Statehood.

Records indicate the first State Tournament Championships occurred in 1914 continuing yearly until 1932. No records of tournaments exist between 1933 and 1948, however, in 1949 shooters organized once again to conduct an Annual State Tournament, held at the Tucson Trap & Skeet Club.

In June 1971, the current Arizona State Trapshooting Association was incorporated and By-Laws adopted.
